

# WEIGELA TOWERS OF FLOWERS™ CHERRY

## KEY FEATURES

- Towers of Flowers™ lives up to its name – literally!
- Narrow, upright, columnar habit, with flowers adorning entire stems, creating a stunning 'tower of flowers'
- Clusters of deep cherry-red buds open to a mass of large, showy, cherry coloured flowers for 3-4 weeks in late spring to early summer
- Perfect vertical statement in garden borders or containers
- Plant a row as a garden divider or screen
- Deciduous
- 1.2m x 0.6m
